Projects and partners in meeting

In the afternoon, in order to facilitate bilateral meetings, Lags can take part in the following workshops:

- Atelier I "Rural Tourism"
- Atelier II "Local Products (food e no food)"
- Atelier III "Quality of life"

Each atelier will be set up with working corners (tables, paper-board, wi-fi connection). To allow the use of the equipment available, priority will be given to the Lags that have previously asked for reservation through the "Face to face" form.

Lags will manage the meetings autonomously thus no translation services will be provided

Whole day 9.30-18.30

Cooperation Show room
