

WELCOME TO THE WEBINAR

HOW TO IMPLEMENT LEADER/CLLD ADDED VALUE IN THE LOCAL DEVELOPMENT STRATEGIES

JUNE

23

Audience:

LAGs, LAG networks, and all who are interested in supporting LAGs to make their added value visible

Objective:

To build awareness and discuss the importance of added value of the EU LEADER/CLLD as the outcome of activities of local action groups if the LEADER method/principles are thoroughly followed

This includes:

- Presentation and discussion on LEADER/CLLD added value importance.
- Examples of added value.
- Exchange experiences among ELARD Members on LEADER / CLLD added value.

The expected outcomes:

- Better understanding of the LEADER/CLLD added value, how it can be generated through LAG activities and implemented in the LDS.
- Explored existing examples of added value generated by LAGs.
